The City of Meriden through Meriden’s Park and Rec Department will once again offer Summer Camp Vouchers to residents of Meriden. This is a great opportunity for ALL families to take advantage of TWO FREE WEEKS of Camp. There are NO income guidelines to be eligible. The main purpose of this program is to support youth and their families to help cover the cost of camp, allowing youth to get out and continue integrating into positive youth development programs. We would love to see all of our families interested in camp with us to get a voucher for this summer. If you’ve been thinking about participating in camp but have hesitated now’s the time make it happen!

Here is what you need to know about getting and redeeming your voucher:

Vouchers for Summer 2022 will begin to be distributed on **Wednesday, March 16th** at the Parks & Recreation office(460 Liberty Street). See Below for all of the details:

1. Voucher distribution will **ONLY** be done on Tuesdays-Fridays (no vouchers will be distributed on Mondays) between 8:00 a.m. – 3:00 p.m.
2. If you still have a Voucher from 2021 you can use that this summer along with a 2022 Voucher. **No Vouchers will be allowed to be carried over past this summer. 2021 and 2022 Vouchers must be used by the End of August 2022.**
3. If you have a 2021 Voucher you must register for camp before June 30th as we have to turn them in by then, but can be used for any weeks we have open.
4. Must show proof of residency to Park and Rec at time of Voucher pick-up ie: ID and child’s report card (children at schools outside of Meriden can receive a voucher as long as they are residents of Meriden), or ID and Meriden Library Card.
5. **Your Voucher will get you (2) free weeks of Camp from 9:00 a.m. - 3:00 p.m.**

Like I stated above we would love to see all of our families take advantage of this great opportunity! Voucher distribution will be on going until we are told otherwise. Any questions reach out and we will help navigate you through the process.
