

Strong, Smart, and Bold Fun Academy

Elementary School

Grades K-5

We offer complimentary transportation from the following schools Israel Putnam, and Nathan Hale on a first come first serve basis when enrolled in our small group tutoring program.

Join this fun program that offers enrichment and academic support programs for our members in the core afterschool hours. Where you select from a menu of daily program options to fit your needs.

Academic Tutoring: Girls will receive age-appropriate small group tutoring. As a participant in academic tutoring, your girl will have the opportunity to develop and enhance her skills in math, english, language arts, writing, reading comprehension, and homework assistance, allowing her to feel more confident in the classroom.

Fees are based on the entire session which will run from March 21th through June 13th*.

We follow the Meriden Public School's Calendar and do not hold programs when there is no school or scheduled vacations.

*Date subject to change based on snow days.
