

# Dance Programs

Dance is offered to girls ages 2 and up.

It's highly recommended that girls begin dance classes in the Fall, and continue throughout the year. This will better prepare them for the dance recital in June.

Any dancer taking two 1/2 hour classes will be charged a special rate of \$70.

It is the policy of Girls Incorporated of Meriden to follow the Meriden School Systems calendar for classes. If a class is cancelled due to the school calendar the organization does not make the class up. As well, if a class is cancelled due to weather related issues the policy of Girls Inc. is that we do not make up the class as it is considered an act of nature. However, if a class is cancelled due to an instructor cancellation, the class will be made up at the discretion of Girls Inc. the instructor, and available space in the building. At least one week's notice will be provided to announce the make up class.
