Here at Girls Inc. we believe that every girl should feel empowered, confident, Strong, Smart and Bold. This week of camp will do just that for all of our campers! We will end the week with a camp-wide spa party to relax us all even more!

***Week 4:** **Rockstar Week** **July 13 -July 17**

Week 5: **Glass Slipper Week** **July 20 -July 24**

Once upon a time at Girls Inc., there was a magical week filled with enchanted adventures and fairy tale fun! During glass slipper week, everything will be centered on our favorite fairy tales and princesses! This Girls Inc. summer camp tradition is full of fun games, music, and plenty of dancing!

***Week 6:** **Razzle Dazzle Week** **July 27 -July 31**

Get ready for the big lights and to take center stage because this week is about all things Broadway! Girls will spend the week doing skits, arts and crafts, games and so much more all centered on the theater.

Week 7: **Creative Campers Week** **August 3 -August 7**

Put on your imagination caps and get ready to get creative this week! Girls will be letting their imaginations run wild as they create one of a kind crafts, projects, and more exploring the world of STEM, and most of all - their imaginations! We will end the week with a camp-wide creation fair for the girls to show all their camp friends all of the crazy concoctions they've created during the week.

Week 8: **Fun and Fitness Week** **August 10 -August 14**

It's so important to be active at every age. But sometimes, exercising can be boring. This week, however, girls will get up and get active in fun ways that they will be excited for! They will play team sports, relay races, and so much more in a fun and supportive environment! We will then end the week with a camp-wide game off.

***Week 9:** **Splish Splash Week** **August 17-August 21**

It's all about water for the last week of camp! Campers will be getting wet and having lots of fun with many water games and activities.
